Hello. I'm César Llajaruna, I'm 19 years old and I'm a full stack developer. I have always had a great intellectual curiosity, which leads me to the need to always learn new things.

At the moment I have advanced knowledge of JavaScript, React, Redux, NodeJs, Express, SQL, CSS, HTML, GIT & GitHub, MongoDB, Adobe Premiere Pro, Photoshop. And I'm learning phyton and artificial intelligence.

What technologies do I use?Javascript React.js Node.js Express.js PostgreSQL Sequelize MongoDB Cloudinary Auth0 GIT HTML CSS

What I'm interested in? My main objective is to leave a mark in the technological world. But I really like to grow and explore the world more through code and innovate with new solutions to problems.
